

WHAT ARE PEOPLE SAYING ABOUT Catholic Charismatic Renewal

POP UP PRAYER:

I am grateful to the CCR service committee for the Pop-Up Prayer that was initiated on February 11 at St. Maria Goretti Parish.

I came with the understanding and expectation that God continues to heal even to this day through other people. I came as a proxy for my brother and sister-in-law who are both sick and who now seem to be doing better as we speak and I expect more to come. Trust the “Miracle Worker “.

The team members who prayed over me were very friendly and respectful. I did not have to do anything or prepare anything. I just came. I was glad I did because God had more in store for me than just the prayers of this wonderful people. I also received some words of wisdom from the Holy Spirit through them. I am uplifted by those words. He loves us so much and He wants us to know that He is thinking about us and our needs.

Come Holy Spirit! 🙏🙏🙏

If you ask me if I need prayers, my answer is,” I always do “. More than physical healing, I seek spiritual healing because to me, that’s more important.

Come Holy Spirit! Glecly Capili

"I appreciated the experience I had yesterday. As a CGS Catechist, Jesus gave me some beautiful reflections I will always remember. It is my job to point the children to Jesus and leave it in his hands. My CGS training has prepared me to do that. I just have to be comfortable realizing that the seed has been planted and then step back. Thank you. Keep it up!" Dottie Blanche
